ACHIEVER® SERIES GAS FURNACE MODEL R92P 92% AFUE* EFFICIENCY

Peace of Mind

Designed with patented features to ensure year-round reliability. And for added peace of mind, our gas furnace is backed by a 10-year conditional parts warranty and a 20-year heat exchanger warranty. You're covered!

Reliability & Durability

Quality is in the details of the Ruud R92P Achiever Series Gas Furnace. You can feel confident, thanks to rigorous testing of all major components. The Ruud R92P was engineered with the exclusive PlusOne™ Ignition System, the most reliable ignition system in the industry, so you can count on your furnace lighting right every time.

RELY ON RUUD.™

RELY ON RUUD.™

For more than a century, Ruud has been a **name synonymous with reliability**. We engineer our gas furnaces with durability in mind, testing and retesting to guarantee a superior product. In addition, we work hard to bring you energy-efficient products that reduce your monthly energy costs, so you can be sure you're getting long-lasting value and comfort with any Ruud product you purchase.

DESIGNED FOR COMFORT THAT LASTS

Industry-first patented features and 360°+1 engineering make the Ruud R92P Achiever Series Gas Furnace a smart option. From top to bottom, inside and out, and every angle in between, we've thought of everything to bring you **efficient** and **reliable** indoor comfort.

Reliability is of the utmost importance when it comes to your family's comfort. Our Achiever Series Gas Furnace comes standard with the Ruud-exclusive PlusOne Ignition System. This proven direct spark ignition (DSI) is one of the most reliable ignition systems available today. **Used exclusively by Ruud** in the Heating and Cooling industry, this technology is the same proven design used on ovens and stoves. Also, our PlusOne™ Water Management System includes the industry's first blocked drain sensor, which will shut off your furnace when a drain is blocked, preventing water spillage and potential water damage to your home. It also prevents seasonal start-up issues, which means fewer warranty claims. All this and the **best warranties** in the industry translate to fewer repair bills and more comfortable nights at home.

Less sound and more comfort is what you get with a Ruud Achiever Series Gas Furnace. The new patented heat exchanger design provides **improved airflow**, which reduces operating sound by 20%**[†], making it one of the **quietest furnaces on the market**. And because it's **high-efficiency**, your monthly energy bill will give you even more reasons to rest easy.

Simple installation and maintenance features benefit consumers, too. This means **savings on installation costs** and faster, more cost-effective repairs during maintenance. The Ruud Achiever Series Gas Furnace is also designed with PlusOne™ Diagnostics — our industry-first 7-segment LED display, a feature that makes services calls quick and easy.

SAVE ENERGY AND MONEY

The R92P Achiever Series Gas Furnace is not only high-performing, it also **saves you energy and money**. It's everything you need in a gas furnace — and more.

360°+1 TAKES COMFORT A STEP FURTHER.

The Ruud R92P Achiever Series Gas Furnace was designed using our 360°+1 process, which means every detail is meticulously evaluated from every angle. We consider the work that goes into installing and servicing our products, as well as how we can deliver the very best homeowner experience. And then we take it a step further. That's the 360°+1. And that's why you can count on your gas furnace to bring you and your family years of comfort.

"In keeping with its policy of continuous progress & product improvement, Ruud reserves the right to make changes without notice."

* Annual Fuel Utilization Efficiency (AFUE) measures the amount of heat delivered to a home compared to the amount of fuel that is supplied to the unit. Higher AFUE ratings reflect higher efficiency.

** Testing showed, on average, a 20% reduction in sound when compared to previous Ruud gas furnace models.

*** Registration within 60 days of installation, original homeowner and residential application only. See Warranty Card for full details.

† Protection Plus and KwikComfort website details apply to the U.S. market. Please contact Ruud Canada for Canadian program details.
